Usage	Interior
Available Width(s)	24", 48"
Thickness	12 mil
IR Transmission	69%
Visible Light Transmission	79%
UV Transmission	17%

Product Construction

Face Film

Polypropylene

Adhesive

Non-Adhesive Static Cling

Release Liner

Transparent Synthetic

Product Details

SOLYX® SX-SC556 Fizzle Rain – Static Cling is an embossed static cling film with a textured pattern that simulates drizzling rain down a glass window. This fully removable and reusable non-adhesive film is made of durable polypropylene and has a clear release liner. It is recommended for application to interior and exterior glass (inside surface) as well as plastics and polycarbonate sheets. This film is ideal for privacy, decorative, or architectural applications.

Flammability Rating

This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

LEED Credit EQ 4.1 Low Emitting Materials, Adhesives & Sealants

This product has zero VOC content according to 40 CFR 59, Subpart D (EPA method 24).

Installation and Warranty

Installation

Installation should be in accordance with the manufacturer's installation instructions. This film is applied using the same methods used for installing window tinting films.

Warranty

This SOLYX® product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details.
